

Available Equipment

- **High Performance Liquid Chromatography Agilent 1200**
 - Confirmatory detection of drugs of abuse
 - Pesticides analysis
 - Analysis of environmental toxins e.g. Bisphenol
- **Thermofisher Autoanalyzer MCG240**
 - Immunoassay detection of drugs of abuse
- **VIVA-E**
 - Immunoassay detection of therapeutic drug monitoring
- **Indigo plus autoanalyzer**
- **Spectrophotometer**
 - Measurement of cholinesterase enzyme level in pesticides toxicity

Awards and Patencies

1998	Best Master thesis in Mansoura University	Prof. Sahar Eldakroory
2009	Best Master thesis in Mansoura University	Prof. Mohamed Salama
2010	Doctors' Medal for Volunteer work	Dr. Mahmoud Awad Fahmy
