

Personal Informations:

Name: Abeer Mohammed Sadek Khattab
University ID: 97108
Date of Birth: 11/10/1973
Place of Birth: Mansoura
Residence address: 24 Al Rasheedy St., Ibn Sinai, Torel
Marital status: married
Home Tele: 050/2326125
Fax: 050/2256104
E-mail: abeerkhattab73@yahoo.com

Education

Bachelor degree: 1996

M.S thesis: "Corneal changes in phaco surgery" (2001)

Supervisors:

Prof. Mohamed El-Desouky

Prof. Rasheed El-Lakkany

Dr. Sami Abo El-Kheir

Reviewers:

Prof. Gehad El-Nahry (Cairo)

Prof. Rasheed El-Lakkany

Prof. Raouf El-Nafees

M.D thesis: "Ultrasound phacoemulsification vs. LASER phacolytic in cataract surgery" (2006)

Supervisors:

Prof. Nader Roshdy

Prof. Adel El-Layeh

Dr. Hosam El-Fallal

Reviewers:

Prof. Husein Ali Husein (Alex)

Prof. Ashraf Sewelam

Prof. Adel El-Layeh

Academic positions

	From
Clinical demonstrator	2001
Assistant Lecturer	2002
Lecturer	2007
Assistant Professor	2015
Professor	2020

Supervision of Theses

1- Measurement of central corneal thickness by different techniques - MS (2013)

P.I.: Reem Hassan Azam

Co-Supervisors: Prof. Hossam El-Fallal, Dr. Manal Kassem

Published Researches:

1. Assessment of Longevity and Efficacy of a Single Intracameral Bevacizumab (Avastin) in Neovascular Glaucoma

Journal: Mansoura Medical Journal 2011

2. Continuous Curvilinear Capsulorhexis in White Cataract

Journal: J Egypt Ophthalmol Soc 2012

3. Phacoemulsification And Intraocular Lens Implantation Combined With Goniosynechialysis In Managing Primary Angle-closure Glaucoma

Journal: Delta Ophthalmol Soc 2012

4. Does Demarcation Laser Photocoagulation Really Barricade the Macula Sparing Symptomatic and Asymptomatic Clinical Rhegmatogenous Retinal Detachment?

Journal: J Egypt Ophthalmol Soc 2013

5. Comparing the combined effect of Triamcinolone with Bevacizumab to Bevacizumab alone in subretinal neovascular membrane

Journal: J Egypt Ophthalmol Soc 2013

6. Combined Intracameral and Intravitreal Bevacizumab Injection in Neovascular Glaucoma

Journal: J Egypt Ophthalmol Soc 2013

7. Triple Intravitreal Bevacizumab, Sub-Tenon's Triamcinolone and Pan Retinal Photocoagulation in Eales' Disease

Journal: J Egypt Ophthalmol Soc 2013

8. Ranibizumab Versus Bevacizumab in Choroidal Neovascular Membrane: Is It Worth It?

Journal: J Egypt Ophthalmol Soc 2013

9. Vascular endothelial growth factor Gene polymorphisms in type 2 diabetes mellitus insertion deletion at -2549 is associated with retinopathy but not +405 G/C.

Journal: International Journal of Biochemistry research & review 2016

10. Visumax femtolasik versus Moria M2 microkeratome in mild to moderate myopia efficacy, safety, predictability, aberrometric changes and flap thickness predictability

Journal: Journal of the Egyptian Ophthalmological Society 2017

11. Safety and efficacy of ultrasound ciliary plasty as a primary intervention in glaucoma patients

Journal: International Journal of ophthalmology 2019

12. Aflibercept with adjuvant micropulsed yellow laser versus aflibercept monotherapy in diabetic macular edema

Journal: Graefe's Archive for clinical and experimental Ophthalmology 2019

13. Epidemiology of ROP in Mansoura, Egypt

Journal: 2nd China Egypt Ophthalmology Form Guangzhou, China 2019

14. Intravitreal Aflibercept injection with panretinal photocoagulation versus early vitrectomy for diabetic vitreous hemorrhage: randomized clinical trial

Journal: BMC ophthalmology 2020
